Changing the meaning of "9/11" to one of Love & Service

Community members of all faiths and ages are invited to participate in our annual Peace Project. This year we will renovate the Corona Norco YMCA City Park Preschool and playground. We'll paint buildings & fencing, build box gardens & a rustic arbor. Painting, planting and mulching will be done on Sunday.

Please come dressed to paint and work. **Volunteer contributions are greatly needed and appreciated!**

Please bring:
